

SOCIAL STUDIES

Understand the Past, Question the Present

Help educators meet ever-evolving expectations and facilitate impactful conversations around the world we live in with Discovery Education. From stories of ancient cultures and current events to lessons around equity and human rights, find hundreds of primary sources, interactive maps and exclusive videos to bring social studies lessons to life anytime, anywhere.

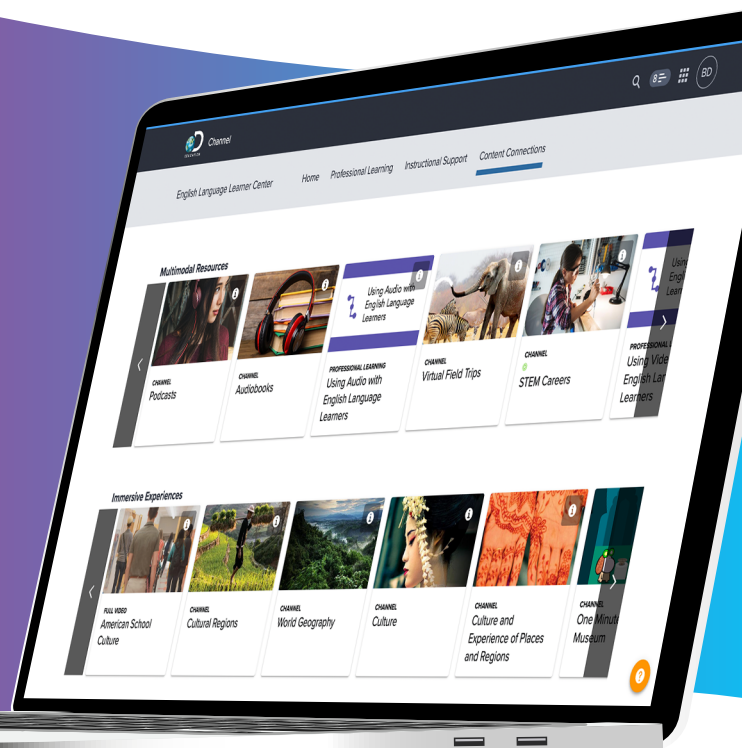

Build Student Understanding & Appreciation of the Real World

Discovery Education Social Studies Techbook is a flexible core-curricular resource that uses an inquiry-based approach to enhance history, geography, civics and government courses while improving literacy, critical thinking and citizenship skills. Compelling core content is paired with thought-provoking essential questions, diverse perspectives, primary source analysis and project-based tasks to reach all learners and encourage appreciation and empathy for others, both past and present.

Professional Learning & On-Demand Support

Utilize the power of digital learning in flexible ways that meet classroom needs and student preferences. Self-paced online courses and research-based instructional strategies get educators started right away, guiding implementation and helping teachers differentiate learning to meet specific student needs—including ELL, SEL, and Special Education. If you want to go deeper, we'll work with you to coordinate more in-depth, tailored PL opportunities to fit your school or district goals.

Discovery Education Experience

Discovery Education Experience, our flexible K-12 learning platform, provides standards-aligned high-quality content, ready-to-use digital lessons, unique collaboration tools, and professional learning resources. Anytime, anywhere accessibility and curated collections of social studies-themed content—such as Newsy, Teaching Tolerance, BeSe, Common Sense Education, and Speak Truth to Power, and the influential Dissent, Equity, and Inspiring Change channel—make learning both relevant and exciting and help educators engage all students in social studies, in and out of the classroom.
