Differentiate and Personalize Your Professional Learning

Now, more than ever, educators need professional learning to address the unique needs of their students. And they need this professional learning to be targeted, to the point, and easy to transfer into immediate practice. No matter what educators are focusing on today, whether it’s student engagement, social-emotional needs, or equitable learning, Discovery Education has the professional learning to support you every step of the way.

Our hourly packages provide flexible professional learning options designed to have an immediate impact on instruction, and most importantly, student learning. Choose from our catalogue of over 100 modules to give teachers targeted learning they can immediately put into action. Our remote, one-hour sessions can provide up to 50 educators with immersive professional learning on a wide range of topics. Self-scheduling provides maximum flexibility and ownership to better meet the needs of the district, the school, and individual teachers’ personal areas of growth.
