Now available in
Spanish!

”

My students absolutely love Mystery Science. It does a great job of **connecting TEKS to real-world exploration** and great visuals.

Claudia
4th Grade, San Antonio, TX

”

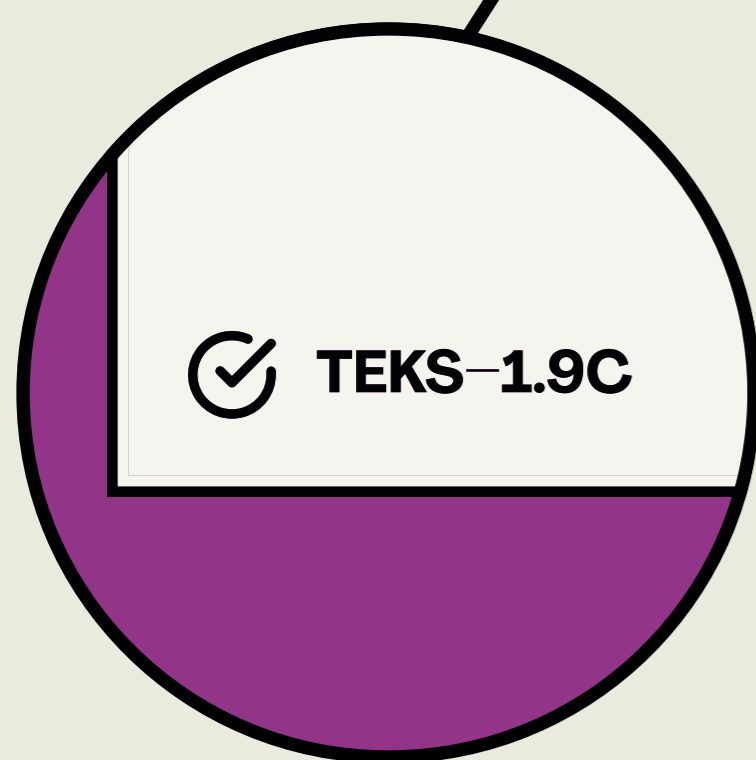

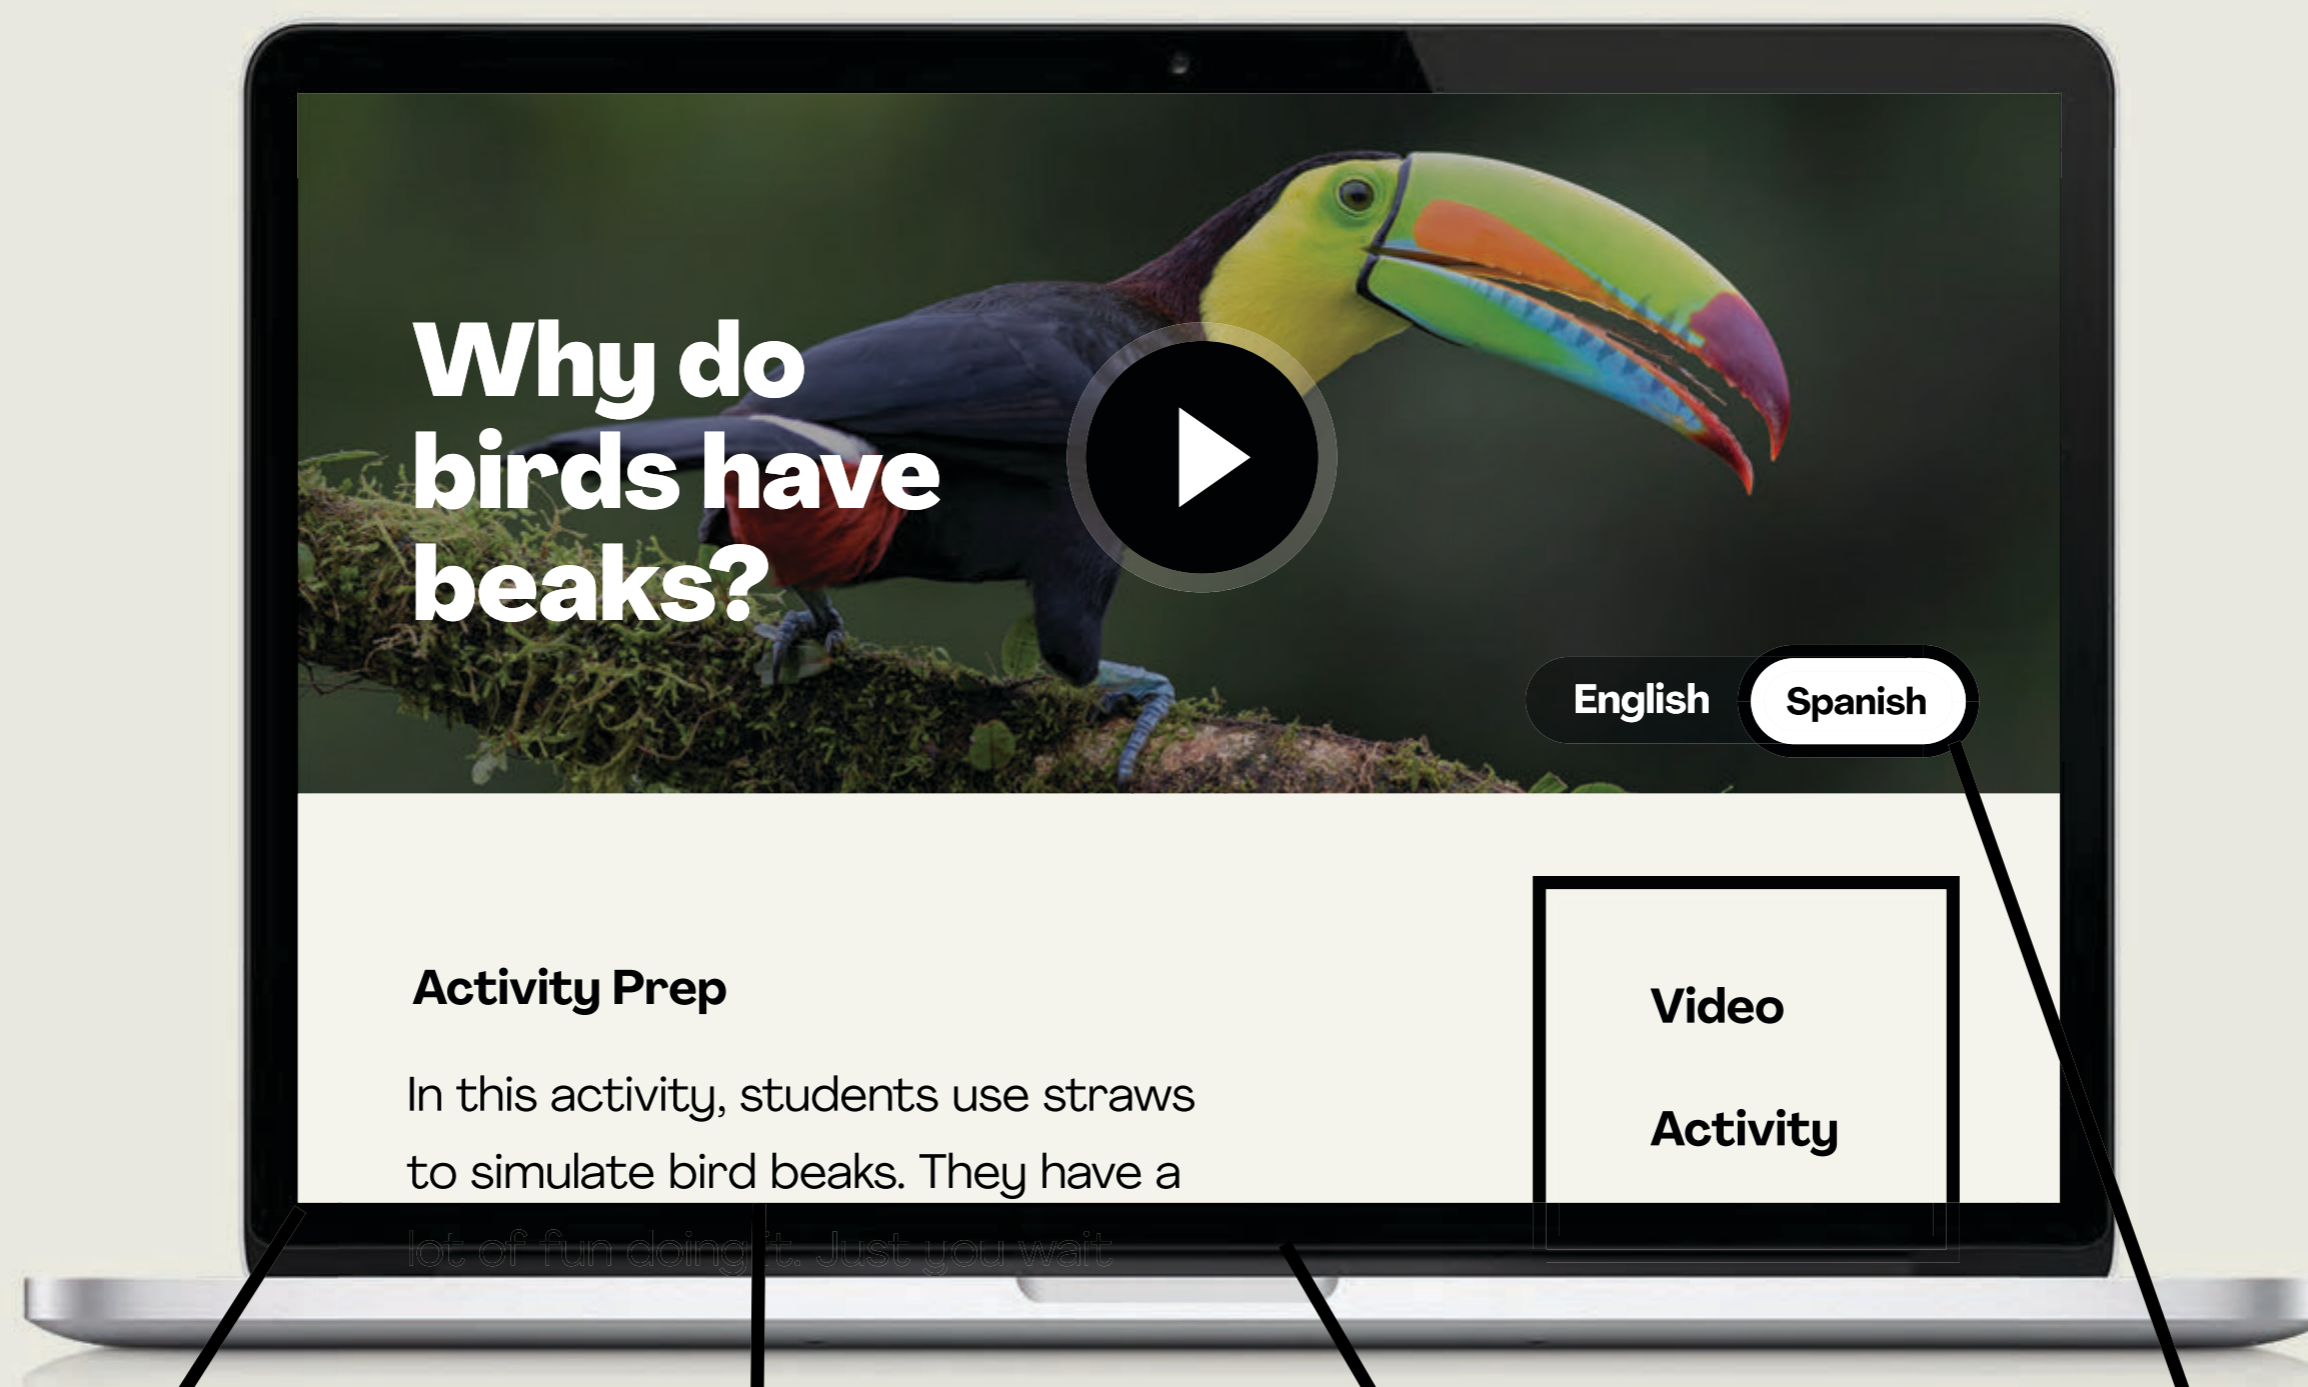

Everything about this program has been fantastic. The lessons are **engaging**, at the students’ level. This has totally invigorated my science lessons!

Lisa
3rd Grade, Spring, TX

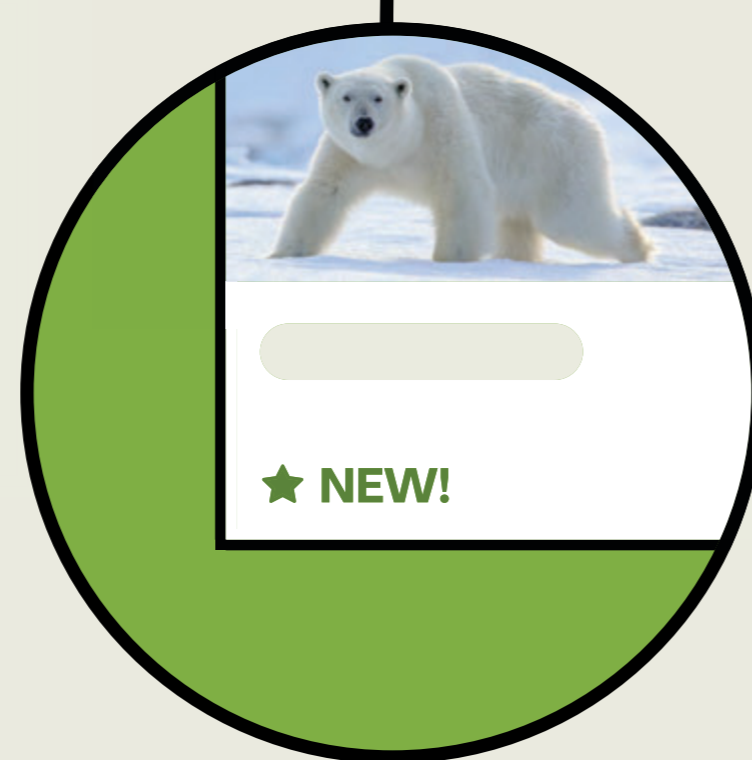

”

Mystery Science is filled with **interesting, thoughtful lessons** that [...give] students the information they need to succeed.

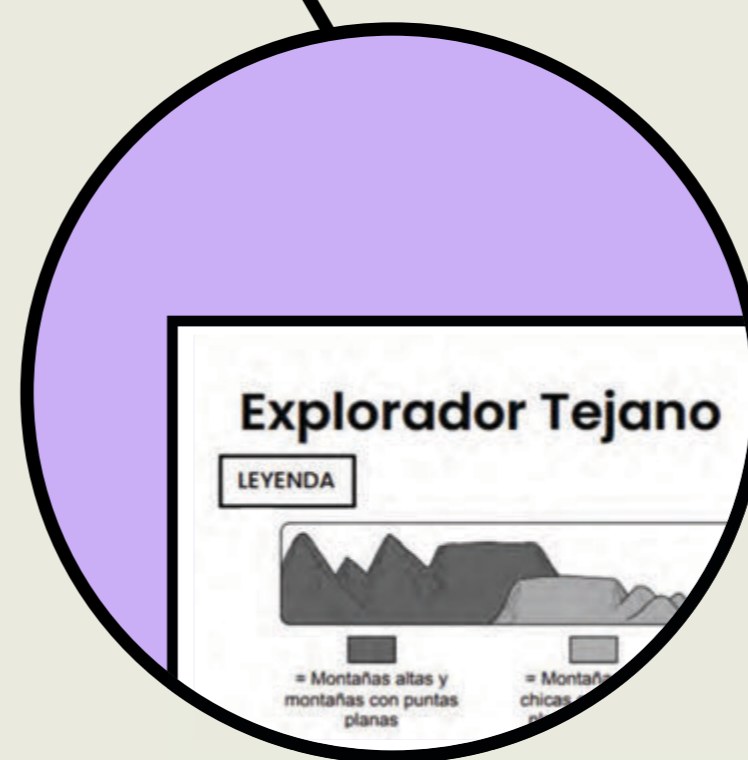

Brenda
K-5, Lewisville, TX

**Clear, easy-to-follow
TEKS alignment**

**New TEKS lessons
added regularly**

**Assessments &
worksheets in Spanish**

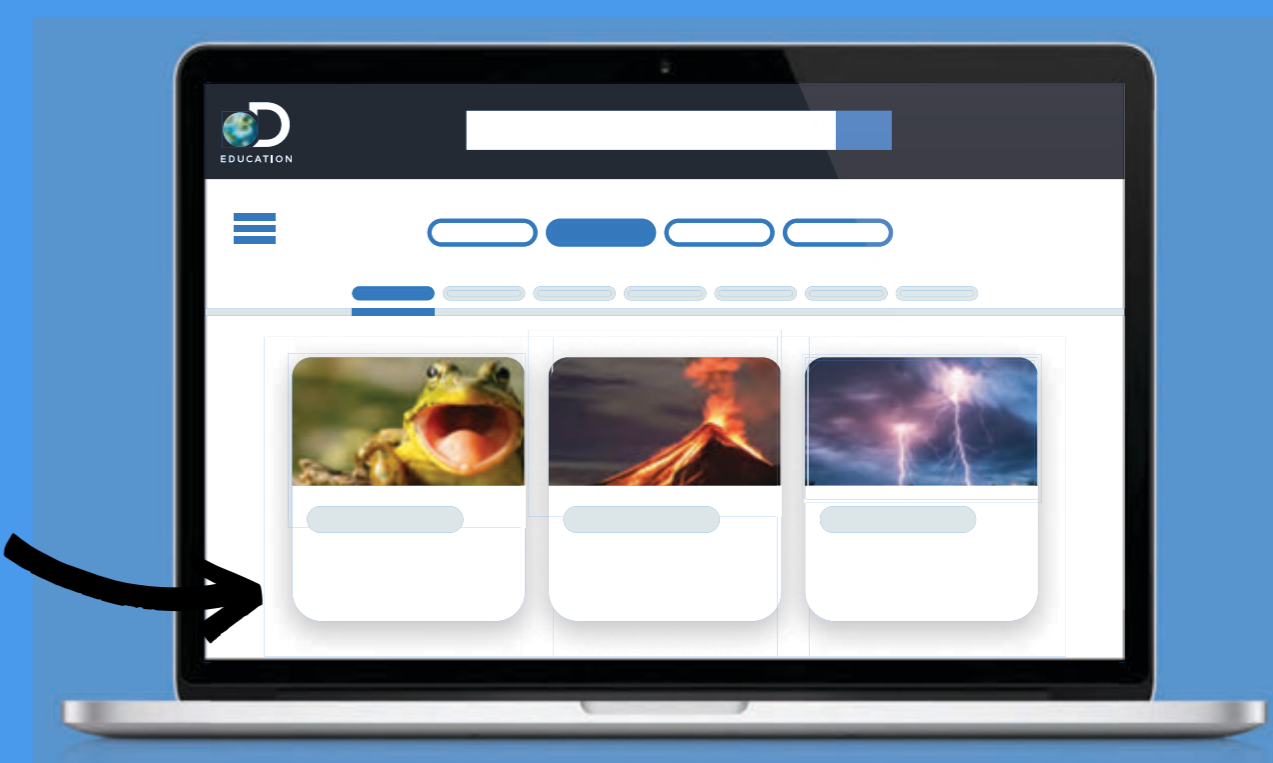

**Videos & labs
