

Welcome to DE!

FOR TEACHERS

Denver Public Schools has partnered with Discovery Education to provide you with high-quality content and resources, instructional supports, and professional learning opportunities. Discovery Education will enrich the educational experiences of our K-12 students by providing educational videos, activities, simulations and virtual field trips, while also empowering our teachers with additional tools and resources to enhance the district's adopted curriculum.

Access Discovery Education

- K-5: Educators and Students can select the Discovery Education tile in the Clever portal.
- 6-12: Educators and Students can select the waffle menu on the Schoology home page and select Discovery Education. Educators and Students can also select Discovery Education in their Schoology course.

Get Started with These Resources

- **Explore** a curated collection of our most popular resources in [Channels](#).
- **Plan lessons** using the [ready-to-use activities](#) in Studio that combine digital content and instructional strategies. Use as-is or customize these activities to meet the needs of students.
- **Grow your skills** with guides, videos, and interactive courses in the [Educator Supports Center](#).
