

## **Welcome to DE!**

FOR FAMILIES

We are excited to announce a statewide partnership between the Montana Office of Public Instruction and Discovery Education.

Discovery Education provides a collection of safe, high-quality, and exciting resources that are organized by grade level, subject, and interest to keep all students engaged. Access these resources from any internet-connected device, at any time.

## **Access Discovery Education**

- 1. Visit <a href="https://www.discoveryeducation.com">www.discoveryeducation.com</a>. Be sure to bookmark the page!
- 2. Enter your student's unique username and password.

## **5 Easy Ways to Get Started**

- <u>Find Educational Content</u>: Use the search feature to find different types of content to support what your child is learning, including videos, images, podcasts, reading passages, and more.
- <u>Take a Virtual Field Trip</u>: From visiting polar pears in the tundra to understanding the importance of a physically active lifestyle, these virtual field trips can take you around the world from your very own home.
- <u>Explore Student Learning Activities</u>: Choose a resource to help your child learn about topics like STEM careers, inventions, national parks, and ancient civilizations.
- <u>Get Interactive</u>: From games to skill builders, your child can get "hands on" with educational explorations.
- Explore the <u>Family Guide</u> to learn how students can navigate Discovery Education, access assignments, and more.
