Standards-aligned, comprehensive social studies curriculum that uses an inquiry-based approach to bring history to life.

Build Literacy, Critical Thinking, & Citizenship Skills

Boost Engagement & Immerse Students

Streamline Teaching & Learning
Easy and effective classroom implementation strategies

Use as a key resource for instruction
- Use lessons and resources weekly for inquiry-based instruction
- Students engage with lessons and digital content to build understanding & explore topics
- Teachers create individual, group, or whole-class assignments

Teacher support
- Access Getting Started materials from Educator Supports
- Use embedded educator supports and apply evidence-based instructional strategies
- Receive support and training via DE professional learning sessions

Leverage data to inform instruction
- Regularly use formative assessments to check understanding, adjust instruction & provide timely feedback
- Monitor usage from your Dashboard to track student learning and progress
- Address learner variability and differentiate
