

Dear Families,

We're excited to use DreamBox Math in your child's class as a complement to our curriculum this school year. Students will explore mathematical concepts in a fun, engaging environment with virtual manipulatives and interactivity to develop critical skills and build strategic thinking and confidence in math.

This is more than just practice. DreamBox Math adapts to each student's interactions to personalize instruction that provides the right amount of challenge, ensuring your child is engaged in productive struggle where learning is greatest.

**To set up** your free **Family Insight Dashboard**, follow these steps:

1. Have your student login to his or her DreamBox account.
2. You can follow the steps in this article:  
<https://dreamboxlearning.zendesk.com/hc/en-us/articles/27281650781715-DreamBox-Math-How-Students-Log-In-on-a-Computer-School-Account>
3. Click Setup Parent Access at the bottom of the page.
4. Follow the instructions to create a login (email) and password.

**To log in** to your **Family Insight Dashboard** (after it is set up):

1. Go to <https://play.dreambox.com>.
2. Enter your email and password.
3. To see student progress, click the Family Dashboard button.

### **Tips and Support for Parents and Caregivers**

*Consistency is key.* Aim to complete at least 3-5 lessons per week for optimal growth.

*There is no penalty for answering incorrectly.* Every interaction with DreamBox Math includes feedback and informs lesson personalization to ensure your child is working at their right level.

*Resist the urge to help with answers.* Outside help could result in a level of difficulty that is too high for your child. If your child asks for help, encourage experimentation by asking questions and point to in-lesson support like audio, hints, and feedback.

*Track your child's usage.* The Activity Feed in the Family Insight dashboard will show you what your child is working on. You can also play a lesson to demonstrate without directly helping in the student environment.

For more information and resources to help you **set up your free family account** and Insight Dashboard, please visit [DreamBox.com/family](https://DreamBox.com/family). Find answers to many of your questions at [DreamBoxLearning.zendesk.com/hc/en-us](https://DreamBoxLearning.zendesk.com/hc/en-us) or contact us at [DiscoveryEducation.com/help/contact-us/](https://DiscoveryEducation.com/help/contact-us/).

We are available Monday through Friday, 8 a.m. to 6 p.m. Eastern Time.

Let's Make Math Fun!
